Re: Hospitality Reimbursement

Welcome to the 2019 Easter Bowl. We wish you the best of luck in the tournament and hope you have a great experience.

For the 15th consecutive year, the USTA will be reimbursing players in the main draw of the Easter Bowl ITF event for hospitality expenses. Players will be reimbursed up to \$70 per night for hotel expenses and up to \$30 per day for meals. Reimbursement will be made through the night of your complete elimination from the main draw. Players who stay in private housing will not be eligible for hotel reimbursement.

In order to receive this reimbursement you must complete the forms that will be distributed at the Easter Bowl and return them to the USTA Orlando office by Friday, May 3, 2019. Forms either received after this date or incomplete will not be processed. Please be sure to enclose your Hotel Receipt and W-9 tax form.

If you have any questions please contact Alex Cercone in the USTA Junior Competition office at Cercone@usta.com.
